RESPONSE "E" TO FINAL OFFICE ACTION Dated 24 Feb. 2003

Dear Sir:

In response the final office action, the applicants respond as follows.

Claim 10 is amended, and 11, 12, 18, and 19, were previously canceled.

The applicants also note that there has been extended prosecution in this case and if the Examiner has identified or could suggest patentable subject matter that the applicants have not claimed, the applicants appreciate in advance any suggestions to the same. To this end, the applicants' representative is ready for a telephone interview if necessary and can be contacted at the number below.
